Betsy-Kline

This service is a godsend for many students...each has averaged a full letter grade higher....

Massimo Bardelli

I create mp3's of much of my daily reading, news stories, and blogs. I download my completed files to my ipod for my daily commute

Michael Greeley

The quality of the speech generator is the best software I have tried

ReadTheWords.com Successfully Utilized

Read Online **180x15** g to strat An edito l up for the new version, and utilized a credit card to upgrade his account.

The same speech technology that powers Read The Words is the same cutting edge technology used by the best US casino technology developers who work on developing the mos play unc may their (2 Links) s for othe cast of services during the Month, which uses technology for their realistic game sounds which simulates the same type of software used to create pre-recorded messages through RTW service.

All the best online poker games, tournaments and bonuses now on poker.com.au - your Australian online poker portal

You can have a bet on the grand national in April 2012 to try your luck and try to win!

Readthewords.com often offer great promotions alongside many events that we run although we also make recommendations about sites that we like, at Paddy Power Poker you can play online poker for low or high stakes, you can play at one or two tables at a time as well, the choice is yours really! Check it out!

ReadTheWords.com Recommended

ReadTheWords was recently recommended by OnlinePokerRealMoney.com - an informational website for online poker real money games and tournaments. The site successfully converted some of their poker articles into speech files for their players. Thanks to the OPRM team for the appreciation!

ReadTheWords.com Awarded

We've recently been awarded by the guide to online poker --PokerListings. They are working on a campaign to support websites that offer a unique service to their users. We've been selected because of our very appreciated Text To Speech Technology. Thanks for the positive feedback guys, it's always great to hear!

ReadTheWords.com Appreciated

ReadTheWords is used by the professionals at www.pokersites.com and Poker US to better manage workflow and efficiency. These online gaming sites fully recommend this text conversion software.
